

Plastic Channel Closure Strips - Black & White

40mm Closure Strip | 1m / 2m / 3m Lengths | Black & White | Individual & Box of 25 Options

Direct Channel plastic channel closure strips provide a clean, protective finish to open 41mm strut channel faces. Available in black and white, the rigid plastic strips are designed for heavy-duty channel installations where a neat finished appearance and edge protection are required.

The range is available in 1 metre, 2 metre and 3 metre lengths. Both colours are also available as 1 metre boxes of 25. Current individual product listings describe the strip as rigid UPVC, with an operating temperature range of -20°C to +55°C, REACH and RoHS compliance, and a V-0 rating at 3mm thickness.

SPECIFICATION

Product Type	Plastic channel closure / cover strip
Material	Rigid UPVC (per current individual product listings)
Colours	Black or White
Nominal Strip Size	40mm
Available Lengths	1m, 2m and 3m
Compatibility	Standard 41mm heavy-duty strut channel profiles
Temperature Range	-20°C to +55°C
Compliance	REACH & RoHS; V-0 rating at 3mm thickness

KEY FEATURES

• Black and white colour options • 1m, 2m and 3m lengths • Indoor and outdoor suitability • 1m bulk boxes of 25 available	• Rigid plastic construction • For standard 41mm heavy-duty channel • Helps cover sharp channel edges • Clean finished appearance
