

Plastic Hex Head & Stud Caps

Push-On Nut / Bolt Head Caps | Moulded LDPE | Black & White | M6 – M10 | Pack of 100

Direct Channel Plastic Hex Head & Stud Caps push over exposed hexagon nut and bolt heads to protect the fastener, cover sharp corners and give a neat, uniform finish across an installation.

Moulded from tough, flexible LDPE (low-density polyethylene) for reliable impact resistance and a clean, safe finish. LDPE is lightweight, non-marking and resistant to moisture and many chemicals. Push on by hand over the hex head — no tools required. Available to suit M6, M8 and M10 heads in black or white. Sold in packs of 100.
