

Rod & Stud End Caps – Plastic

Screw-On Threaded Rod / Stud Caps | Moulded LDPE | Black & White | M8 & M10 | Pack of 100

Direct Channel Rod & Stud End Caps screw onto the exposed end of threaded rod or studding to protect the thread from impact and damage, cover sharp ends for safety, and give a clean, professional finish.

Moulded from tough, flexible LDPE (low-density polyethylene) for reliable impact resistance and a clean, safe finish. LDPE is lightweight, non-marking and resistant to moisture and many chemicals. Screw on by hand — no tools required. Available for M8 and M10 rod in black or white. Sold in packs of 100.
