

Zinc Galvanising & Anti-Rust Paint Range

[Silver & Colour Finishes](#) | [Aerosol & Brush-On Tin](#) | [Corrosion Protection](#) | [Sold Individually](#)

Direct Channel zinc galvanising and anti-rust paints are designed for protecting and refinishing exposed metalwork, cut ends, welded joints, brackets, steelwork and other ferrous surfaces. The range combines corrosion protection with fast, practical application for site, workshop and maintenance use.

The range includes a rapid-dry silver galvanising finish, satin colour variants that act as primer and topcoat, and a silver brush-on tin option. The silver formulation is suitable for matching freshly galvanised steel, while the colour variants provide a durable protective finish for identification and maintenance work.

SPECIFICATION

Product Type	Zinc galvanising / anti-rust protective paint
Formats	500ml aerosol; 900ml silver brush-on tin
Primary Function	Corrosion protection and metal finishing
Silver Finish	Rapid-dry galvanising finish for exposed or repaired galvanised steel
Colour Finish	Satin anti-rust paint; primer and topcoat in one
Application	Bare metal, welded joints, cut ends and previously galvanised surfaces
Electrical Property	Silver formulation listed as non-conductive
Supply	Sold individually

KEY FEATURES

• Effective corrosion protection • Silver galvanising finish • Primer and topcoat colour system • Aerosol and brush-on formats	• Suitable for steelwork repairs and touch-up • Satin colour variants available • Good adhesion and flexibility • Suitable for site and workshop maintenance
---	---

PRODUCT FORMAT REFERENCE

Product format reference for the anti-corrosion paint range. Aerosol colour variants and silver brush-on tin shown for identification only; not to scale.

AVAILABLE PRODUCTS / RANGE

SKU	Format	Colour / Finish	Notes
ZG90SSI	500ml aerosol	Silver	Rapid-dry galvanising finish
ZG90SWH	500ml aerosol	White	Satin anti-rust finish
ZG90SBK	500ml aerosol	Black	Satin anti-rust finish
ZG90SRD	500ml aerosol	Red	Satin anti-rust finish
ZG90SYL	500ml aerosol	Yellow	Satin anti-rust finish
ZG90SBU	500ml aerosol	Blue	Satin anti-rust finish
ZG90PSI	900ml tin	Silver	Brush-on galvanising paint

All listed products are supplied individually. The 500ml aerosols cover silver plus satin colour finishes. ZG90PSI is shown as the silver 900ml brush-on tin in the supplied SKU list.

TYPICAL APPLICATIONS

Cut ends of galvanised channel and conduit	Welded joints and repaired metalwork
Steel frameworks and brackets	Fences, railings and fabricated steel
Maintenance and refurbishment work	General workshop and site corrosion protection
